

**Assistance with Transition from the State**  
**What the State Transition Initiative Can Do To Help**

**Activity**

- 1 Assist Head Start, schools, First Steps and childcare to form local transition teams
- 2 Assist teams with development of annual plans to address local transition issues
- 3 Facilitate community transition team meetings
- 4 Facilitate development of interagency Memoranda of Agreement (MOA)
- 5 Provide training to enhance effective transition teams
- 6 Offer on-going technical assistance
- 7 Provide access to state and local teams' annual plans, meeting minutes and locally developed products through the transition website
- 8 Provide resources and information on best practices
