20 USC 1431.

“SEC. 631. FINDINGS AND POLICY.

“(a) FINDINGS.—Congress finds that there is an urgent and substantial need—

“(1) to enhance the development of infants and toddlers with disabilities, to minimize their potential for developmental delay, and to recognize the significant brain development that occurs during a child’s first 3 years of life;

“(2) to reduce the educational costs to our society, including our Nation’s schools, by minimizing the need for special education and related services after infants and toddlers with disabilities reach school age;

“(3) to maximize the potential for individuals with disabilities to live independently in society;

“(4) to enhance the capacity of families to meet the special needs of their infants and toddlers with disabilities; and

“(5) to enhance the capacity of State and local agencies and service providers to identify, evaluate, and meet the needs of all children, particularly minority, low-income, inner city, and rural children, and infants and toddlers in foster care.

“(b) POLICY.—It is the policy of the United States to provide financial assistance to States—

“(1) to develop and implement a statewide, comprehensive, coordinated, multidisciplinary, interagency system that provides early intervention services for infants and toddlers with disabilities and their families;

“(2) to facilitate the coordination of payment for early intervention services from Federal, State, local, and private sources (including public and private insurance coverage);

“(3) to enhance State capacity to provide quality early intervention services and expand and improve existing early intervention services being provided to infants and toddlers with disabilities and their families; and

“(4) to encourage States to expand opportunities for children under 3 years of age who would be at risk of having substantial developmental delay if they did not receive early intervention services.

“(6) Written prior notice to the parents of the infant or toddler with a disability whenever the State agency or service provider proposes to initiate or change, or refuses to initiate or change, the identification, evaluation, or placement of the infant or toddler with a disability, or the provision of appropriate early intervention services to the infant or toddler.

“(7) Procedures designed to ensure that the notice required by paragraph (6) fully informs the parents, in the parents’ native language, unless it clearly is not feasible to do so, of all procedures available pursuant to this section.

“(8) The right of parents to use mediation in accordance with section 615, except that—

“(b) SERVICES DURING PENDENCY OF PROCEEDINGS.—During the pendency of any proceeding or action involving a complaint by the parents of an infant or toddler with a disability, unless the State agency and the parents otherwise agree, the infant or toddler shall continue to receive the appropriate early intervention

services currently being provided or, if applying for initial services, shall receive the services not in dispute.

“SEC. 640. PAYOR OF LAST RESORT.

20 USC 1440.

“(a) NONSUBSTITUTION.—Funds provided under section 643 may not be used to satisfy a financial commitment for services that would have been paid for from another public or private source, including any medical program administered by the Secretary of Defense, but for the enactment of this part, except that whenever considered necessary to prevent a delay in the receipt of appropriate early intervention services by an infant, toddler, or family in a timely fashion, funds provided under section 643 may be used to pay the provider of services pending reimbursement from the agency that has ultimate responsibility for the payment.

“(b) OBLIGATIONS RELATED TO AND METHODS OF ENSURING SERVICES.—

“(1) ESTABLISHING FINANCIAL RESPONSIBILITY FOR SERVICES.—

“(A) IN GENERAL.—The Chief Executive Officer of a State or designee of the officer shall ensure that an interagency agreement or other mechanism for interagency coordination is in effect between each public agency and the designated lead agency, in order to ensure—
