**“SEC. 612. STATE ELIGIBILITY.**

“(a) IN GENERAL.—A State is eligible for assistance under this part for a fiscal year if the State submits a plan that provides assurances to the Secretary that the State has in effect policies and procedures to ensure that the State meets each of the following conditions:

“(1) FREE APPROPRIATE PUBLIC EDUCATION.—

“(A) IN GENERAL.—A free appropriate public education is available to all children with disabilities residing in the State between the ages of 3 and 21, inclusive, including children with disabilities who have been suspended or expelled from school.

“(B) LIMITATION.—The obligation to make a free appropriate public education available to all children with disabilities does not apply with respect to children—

“(i) aged 3 through 5 and 18 through 21 in a State to the extent that its application to those children would be inconsistent with State law or practice, or the order of any court, respecting the provision of public education to children in those age ranges; and

“(ii) aged 18 through 21 to the extent that State law does not require that special education and related services under this part be provided to children with disabilities who, in the educational placement prior to their incarceration in an adult correctional facility—

“(I) were not actually identified as being a child with a disability under section 602; or

“(II) did not have an individualized education program under this part.

“(C) STATE FLEXIBILITY.—A State that provides early intervention services in accordance with part C to a child who is eligible for services under section 619, is not required to provide such child with a free appropriate public education.

“(2) FULL EDUCATIONAL OPPORTUNITY GOAL.—The State has established a goal of providing full educational opportunity to all children with disabilities and a detailed timetable for accomplishing that goal.

“(3) CHILD FIND.—

“(A) IN GENERAL.—All children with disabilities residing in the State, including children with disabilities who are homeless children or are wards of the State and children with disabilities attending private schools, regardless of the severity of their disabilities, and who are in need of special education and related services, are identified, located, and evaluated and a practical method is developed and implemented to determine which children with disabilities are currently receiving needed special education and related services.

“(B) CONSTRUCTION.—Nothing in this title requires that children be classified by their disability so long as each child who has a disability listed in section 602 and who, by reason of that disability, needs special education and related services is regarded as a child with a disability under this part.

“(4) INDIVIDUALIZED EDUCATION PROGRAM.—An individualized education program, or an individualized family service plan that meets the requirements of section 636(d), is developed, reviewed, and revised for each child with a disability in accordance with section 614(d).

“(5) LEAST RESTRICTIVE ENVIRONMENT.—

“(A) IN GENERAL.—To the maximum extent appropriate, children with disabilities, including children in public or private institutions or other care facilities, are educated with children who are not disabled, and special classes, separate schooling, or other removal of children with disabilities from the regular educational environment occurs only when the nature or severity of the disability of a child is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

“(B) ADDITIONAL REQUIREMENT.—

“(i) IN GENERAL.—A State funding mechanism shall not result in placements that violate the requirements of subparagraph (A), and a State shall not use a funding mechanism by which the State distributes funds on the basis of the type of setting in which a child is served that will result in the failure to provide a child with a disability a free appropriate public education according to the unique needs of the child as described in the child’s IEP.

“(ii) ASSURANCE.—If the State does not have policies and procedures to ensure compliance with clause (i), the State shall provide the Secretary an assurance that the State will revise the funding mechanism as soon as feasible to ensure that such mechanism does not result in such placements.

“(6) PROCEDURAL SAFEGUARDS.—

“(A) IN GENERAL.—Children with disabilities and their parents are afforded the procedural safeguards required by section 615.

“(B) ADDITIONAL PROCEDURAL SAFEGUARDS.—Procedures to ensure that testing and evaluation materials and procedures utilized for the purposes of evaluation and placement of children with disabilities for services under this title will be selected and administered so as not to be racially or culturally discriminatory. Such materials or procedures shall be provided and administered in the child’s native language or mode of communication, unless it clearly is not feasible to do so, and no single procedure shall be the sole criterion for determining an appropriate educational program for a child.

“(7) EVALUATION.—Children with disabilities are evaluated in accordance with subsections (a) through (c) of section 614.

“(8) CONFIDENTIALITY.—Agencies in the State comply with section 617(c) (relating to the confidentiality of records and information).

“(9) TRANSITION FROM PART C TO PRESCHOOL PROGRAMS.—Children participating in early intervention programs assisted under part C, and who will participate in preschool programs assisted under this part, experience a smooth and effective transition to those preschool programs in a manner consistent with section 637(a)(9). By the third birthday of such a child, an individualized education program or, if consistent with sections 614(d)(2)(B) and 636(d), an individualized family service plan, has been developed and is being implemented for the child.
