

The Indiana Family Connection

Hoosier Families Connecting

The Indiana Family Connection intends to connect all families of children with disabilities or special needs. This group is a place for FAMILIES to exchange information and resources with one another.

Join to share and find:

- ⇒ websites others have found helpful
- ⇒ support groups, both electronic and in person
- ⇒ books, magazines or newsletters that families recommend
- ⇒ upcoming training that parents may find helpful
- ⇒ advice, support, and encouragement as we work together to build the knowledge base and leadership skills of Indiana families.

To Join this Group go to http://groups.yahoo.com/group/Indiana_Family_Connection and click on "Join this Group"

Please note that while Indiana Family Connections respects and appreciates the role professionals have in supporting Hoosier Families, in an effort to provide a safe environment for families to share concerns issues and connections list membership is limited to families. Professionals who are also family members are welcome to join but asked to respect the confidentiality and privacy of members on the list.
