ADA Nationwide provides you with services and benefits you would expect from a motor club, but we know you understand the difference lift service and transportation can make when your vehicle stops working.

This is why membership with
ADA AUTO CLUB

includes complete coordination and dispatch of emergency lift service or Para-transit service.

ADA is the only auto club providing emergency roadside assistance to people who use a wheelchair and drive. Not only are we dedicated to the security of our members while traveling, we are concerned about a member's ability to remain mobile even when the vehicle they are riding in brakes down.

Nationwide emergency roadside assistance and 24-hour personal assistant services are what make ADA the auto club of choice year after year.
